

Weekly Learning Supplemental School

The Jewish learning program for children ages 7-11 meets weekly on Sunday mornings beginning September 15 at a central location. Sessions are 2.5 hrs, starting at 10 a.m. and ending at 12:30 p.m. We will be including Jewish music in our curriculum as well. An optional Hebrew-language component is available from 9:15-9:45 a.m.

This year our innovative program will focus on the roles of women in Jewish history. Sessions are organized to familiarize the children with our vibrant tradition of Torah study including close reading of texts, multiple interpretations of stories, and midrashic commentary. In our inter-age classroom we strive to build a caring community of learners who are deeply connected to each other, Jewish traditions and their relevance to contemporary life. Children who have had minimal or no formal Jewish education, or for whom this may be a first learning experience, are welcome. [Class Schedule](#)
