

## Choosing Congregation Shir Libeynu for your B'Mitzvah celebration

A warm mazal tov on your child's upcoming lifecycle milestone! This is an exciting time for you, your child, and your family and we can't wait to share your *simcha* (celebration) with you. With our strong tradition of embracing diversity and welcoming everyone, regardless of your level of Jewish experience or education, your family can count on a fulfilling B'Mitzvah experience at Congregation Shir Libeynu.

Together with Cantor Wunch, Congregation Shir Libeynu's Spiritual Leader, you will decide if learning a Torah portion is right for your child, or if other appropriate options would be better suited to creating a unique experience. There are many options from which to choose.

Working with the Cantor, you will also choose readings, poetry and/or prayers to include in the service, and you will be able to honour special family members and friends with the role of your choice in the service, whether they are Jewish or not.

We hope you will find the following information about how having your child become B'Mitzvah in the Congregation Shir Libeynu community will be as meaningful and as unique as your B'Mitzvah child and family.

### Prerequisites

- B'Mitzvah classes with Cantor Wunch (or equivalent<sup>1</sup>)
- At least one parent must be a member ([Please contact our administrator Amanda for membership info](#))
- B'Mitzvah service preparation tutoring<sup>2</sup>

### Why "B'Mitzvah"?

Congregation Shir Libeynu embraces diversity and inclusion. We felt it important to ensure that all of our children and their families are seen. For this reason, we have moved to gender expansive language, rather than using the gender-binary language of "bar" or "bat" (son or daughter). Please read on for more information about how Congregation Shir Libeynu's approach to B'Mitzvah ensures a unique and meaningful experience for each individual child and family.

## Creating Meaning Through Connection

### Attending Services

Cantor Wunch and Congregation Shir Libeynu believe that becoming B'Mitzvah within a community that is familiar only adds to its meaning. For this reason we ask B'Mitzvah families to attend our High Holy Day services and as many of our regular Shabbat services as possible in the year leading up to your *simcha*. This way your child and your family will be familiar with the liturgy and music, and will be able to fully participate on the big day. You will also come to know other members of the CSL community, making your celebration with this community even more meaningful.

<sup>1</sup> "equivalent" to be approved by Cantor Wunch only after mutual determination that CSL's B'Mitzvah classes are not appropriate for the student.

<sup>2</sup> tutor to be approved by Cantor Wunch

## Meetings with Cantor Wunch

In the lead up to the B'Mitzvah service, Cantor Wunch will meet with you and your child several times. At these meetings she will discuss with you and your family the significance of a B'Mitzvah, and together you will plan a service that is meaningful, reflecting the uniqueness of your child and your family.

## Participation of Family Members and Friends

Attending services so that you know the community in which the B'Mitzvah is celebrated is important. The impact of this *simcha* is deepened with the participation of family, friends, and members of the congregation. At Congregation Shir Libeynu, we welcome the participation of all family and friends chosen for individual honours, whether or not they are Jewish.

## Readings in English

Chosen by you in consultation with Cantor Wunch, these readings can be poetry, prayers or songs that will be used during the service and that will be included in the English handout provided to the congregation at the service.

## Hebrew Prayers

At Congregation Shir Libeynu, we follow the order of a regular liberal Shabbat service. Our *siddur* (prayer book) includes both translation and transliteration of all of the Hebrew prayers, making the services accessible to all.

If you would like to honour family and/or friends by having them lead some of the Hebrew prayers, that would be most welcome.

## Torah Honours

It is our tradition at Congregation Shir Libeynu to have group *aliyot* (coming up to the Torah to say the blessings). In planning with Cantor Wunch you may select one, two, or several members of your family/friends to whom you would like to give this honour and we will make sure they all have the opportunity to take part. You will also want to think about which of your family or friends will have the honour of opening the ark, undressing the Torah, dressing the Torah, and closing the ark.

## B'Mitzvah Education

### B'Mitzvah Classes with Cantor Wunch

An important part of preparing to become B'Mitzvah is our year-long B'Mitzvah class taught by Cantor Wunch.

This class focuses on various facets of Jewish identity, and will give students an opportunity to delve more deeply into their own Jewish lives and practices. It is open to anyone entering grade 6, 7, or 8 in September 2025, and is a required element in preparation for celebrating this important rite of passage with Congregation Shir Libeynu. It can be taken either prior-to or concurrently with private B'Mitzvah tutoring.

For information about cost, please [contact our administrator, Amanda](#). For further information about the course curriculum, please [contact Cantor Wunch](#).

### Chanting/Reading Torah

We understand that every child has different strengths. Please know that chanting/reading Torah is **not** a requirement of becoming B'Mitzvah with Congregation Shir Libeynu, but it is a popular option.

If you and Cantor Wunch decide together that your child will prepare a Torah portion for the *simcha*, we will provide you with a list of approved tutors. Some tutors will only teach Torah, some will also teach Hebrew reading. In consultation with Cantor Wunch, you will choose what's right for your child. Please note that the cost of these private lessons are not included in the CSL B'Mitzvah fees, and will be paid privately to the tutor.

If it is determined that a Torah reading isn't right for your child, other options are available and will be shared by Cantor Wunch with you.

**D'var Torah** (Teaching offered by the B'Mitzvah student to the congregation)

Part of the preparation for B'Mitzvah is crafting a *D'var Torah*, a teaching that your child will research, write, and deliver during their *simcha*. Cantor Wunch will work with your child to help them understand their Torah portion and write their speech.
